

April 1, 1974

SENATOR SNYDER: If we could only get rides like this at the State Fair for a dime what a great world it would be. We have ridden this thing for two months in here and we are only taking out the mandatory language and I wish that you Omaha guys would get together so that this Lincoln delegation would know which way to go on these things. It is very simple procedure to take out the mandatory ride and in my opinion the only thing that we have done by having it in here in the first place is holding an ear of corn in front of the mules. It is a very unfair practice and we are not giving them what we are really telling them that we are giving them and lets be fair and just with this procedure and lets take this amendment off here and get the bill through and everybody would be happy. I so move at this time.

SPEAKER: The question is shall the Snyder amendment be adopted? This requires 25 votes. All those in favor vote aye....excuse me Senator Carpenter had had asked for a roll call vote we are not voting for or against the Snyder amendment. Clerk will call the roll.

CLERK: Roll call vote. 22 ayes, 22 nays and 5 not voting. Vote appears on page 1425 of the Legislative Journal.

SPEAKER: Senator Syas.

SENATOR SYAS: I want a call of the house.

SPEAKER: Do I see five hands? Fine....The question is shall we have a call of the house. All those in favor vote aye, those opposed vote no. Have you all voted? Clerk will record.

CLERK: 19 ayes, 8 nays for a call of the house.

SPEAKER: Motion is carried house is under call. Clerk will clear the board. Now please indicate your presence. House is under call please take your seats and indicate your presence. Those of you have just returned, we are taking a roll call vote on Senator Snyder's motion on his amendment. Yes, LB875.

SENATOR SKARDA: For those that have been absent, it might be a good idea to read the amendment.

CLERK: Read.

SPEAKER: I have instructed the Clerk to continue the roll call and he will go back and pick up those that were absent.

CLERK: 22 ayes, 22 nays, and 5 not voting.

SPEAKER: Motion fails, are there further amendments Mr. Clerk?

CLERK: None.

SPEAKER: Senator Barnett.

SENATOR BARNETT: Well there is going to be now. I'll have to put mine back in. I'm going to have to yield Senator Snyder I guess for just a minute, but bear in mind before it goes on that I will see what happens.

SPEAKER: Senator Snyder.
